## FRONTEND ENGINEER

Hello! I'm Muhammad Ammar Afridi, a proficient front-end engineer adept in HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, React, Redux Toolkit and Version Controlling with Git. With a strong foundation in these languages and frameworks, I specialize in crafting dynamic and responsive web applications. My expertise lies in leveraging these technologies to develop innovative and user-friendly solutions tailored to meet diverse project needs

## KEY COMPETENCIES

HTML

CSS

JAVASCRIPT

BOOTSTRAP

TAILWIND

REACT

RESPONSIVE DESIGN

PROBLEM SOLVING

VERSION CONTROL GIT

## PROFESSIONAL EXPERIENCE

### School Management Technologies ( Wah Cannt )

Oct 2023 - Dec 2023

#### Intern As Frontend Developer

During my internship, I actively participated in team-based web projects, honing my collaborative skills while efficiently managing individual tasks. Responsibilities encompassed optimizing technical elements for improved system performance, overseeing attendance tracking systems for accuracy and efficiency, and delivering timely technical support to clients. Leveraging this experience, I significantly enhanced my expertise in web development and maintenance.

### Alright Tech Private Limited ( Rawalpindi )

Apr 2024 - Present

#### Frontend Developer

At Alright Tech, I collaborated closely with cross-functional teams to deliver creative and precise digital experiences. My role involved not just coding, but also problem-solving, integrating client feedback to exceed expectations, and resolving SQA reports to ensure the highest standards of quality assurance. Leveraging tools like Figma, I actively participated in the design process, translating mockups into functional web applications. This experience has honed my ability to craft responsive and visually appealing web applications, making me confident in my ability to bring innovative solutions to your projects.

## EDUCATION & CERTIFICATIONS

### Secondary School Certificate ( SSC )

(2015 - 2017 )

Islamia Collegiate School Peshawar

### Higher Secondary School Certificate ( HSSC )

(2017 - 2019 )

Islamia College Peshawar

### Bachelor in Computer Science ( BSCS )

(2019 - 2023 )

Kohat University of Science And Technology
